Day 2

Read Job 27:6

Week 1 04

Honesty is related to righteousness. What's the root word of righteousness? Right, right? Righteousness means straight or right living. Right living will keep you on a straight path. So when you choose honesty, you won't have to look back and regret anything. Your conscience will be clear because you've chosen to live in a right way.

✓ the right definition for the word **RIGHTEOUS**.

- To follow God; to choose to follow His rules for living.
- To do your own thing; to choose to live by what makes you happy.
- To look at TV for answers; to follow the latest trends.

ASK God to help you to be honest so you can stay on a straight path.

Day 4

Read Psalm 51:6

Week 1 04

Ever told a lie and felt like you got away with it? Maybe others didn't find out, but the problem is YOU know you lied. And so does your heavenly Father. He sees all and knows all. God is honest with us, and He wants us to be honest with ourselves and with Him.

Are you in a quiet place with no one around? Once you're by yourself, pull out a piece of paper and write down some things you've been dishonest about that only you know about. Ask God to forgive you for these dishonest things. When you're finished praying, tear up the paper and throw it away.

KNOW that God wants you to be honest as He is honest.

Day 3

Read Ephesians 4:14-15

Week 1 04

There are lots of things you did as a baby that you don't do anymore. Your mind and body have grown since then. The same is true of your faith. When you grow in your relationship with God, you'll learn how to do things you couldn't do before. One BIG thing is speaking honest words and being truthful. So don't be like a baby who needs baby things. Show others how much you've grown in your faith by choosing to be honest this week.

Check out your baby pictures. Make a list of some of the things you've learned to do that you couldn't do when you were a baby.
